BIORHYTHM CHARACTER ANALYSIS AND COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

LIKE FATHER LIKE DAUGHTER - It seems actor Ryan O'Neal is not happy about his daughter (Tatum O'Neal) dating tennis pro John McEnroe. Children seem to follow what their parents do, not what they say.

Personal Biorhythm Numbers

	Physical	Emotional	Mental
Tatum O'Neal 11-5-63	4 (65%)	0 (100%)	0 (100%)
John McEnroe 2-16-59	2 (83%)	15 (7%)	7 (58%)
Compatibility	2 (83%)	15 (7%)	7 (58%)

At least 60% is needed in each area of compatibility for two people to be happy together. These two are overall 49% alike. 60% and up in each area is good. A relationship is only as good as its weakest link.

	Physical	Emotional	Mental
Farrah Fawcett 2-2-47	6 (48%)	16 (14%)	15 (9%)
Ryan O'Neal 4-20-41	4 (65%)	2 (86%)	17 (3%)
Compatibility	2 (83%)	14 (0%)	2 (88%)

These two are overall 57% alike.

In each relationship the love is lacking (7% & 0% emotionally compatible). In each case there is a natural parent type (#0 & #2 emotional) involved with a natural child type (#15 & 16 emotional). They cannot give the other the kind of love they need to stay healthy & happy.

In each case there is a strong physical attraction (83%) & a mental compatibility. Very good between Farrah & Ryan (88%) & a bit weaker between Tatum and John (58%).

Tatum is just following what her father is doing.

John and Farrah are overall 70% alike.

Is Ryan trying to tell Tatum he has made an error getting involved with Farrah & does not want Tatum to do the same thing? That could be part of it. The other part is father & daughter are 100% physically compatible & 86% emotionally compatible (love). There is a strong attraction between them. Nature does not care of people are related. Ryan might not realize this himself but he would want to protect her from other males. This is a natural instinct when a parent is so compatible with a child. They are not mentally compatible (3%) & cannot hear what the other is saying so there is a lot of shouting in this relationship. Shouting does not make the other hear. Tatum needs to be in control (100% mental) & Ryan does not want to be controlled by anyone (3% mental).

Both of these men have terrible tempers & for different reasons. John is a natural child type (#15 emotional) who needs attention any way he can get it. He also needs to be heard (58% mental). Ryan is a parent type (#2 emotional) who wants to be obeyed without being questioned & he is sure he is always right (3% mental). He is also naturally paranoid (83% worth). He would feel people are out to get him even when they are not.

Parents, if you want your children to be happy you are going to have to be happy first, and you can't be happy if you are not compatible with someone in all areas. Putting on a front in front of your children does not do it. They know better. You can't fool them.

These are mini biorhythm readings. For an indepth one see order form on page 3.

plain lazy. Some men believe women are born to be cleaning machines & feel cheated when they get a low physical one.

It is important that doctors get to know about the character side of biorhythm. Women go to them with their problems. The doctors might make them feel they "should" try to do more.

a super woman, super cleaner, super mom. Don't try if it is not natural for you. Then it is not your thing to do. Let others wait on themselves & do for themselves. Refuse to be put down when you are not letting others use you.

Doctors tend to be the last ones to accept anything new, partly because this is the way they have been taught & partly because of their egos. The doctors I have come across who say they like this side of biorhythm are those who are retired. They have nothing to lose.

Before you marry have a compatibility done. It could save you many years of misery if you heed what you see. See order form on page 3.

LIBEL SUIT

Mike Wallace commentator of "60 Minutes" TV program is mentioned in the libel suit brought by General William Westmoreland. Wallace is concerned about this suit. He said it is draining his strength. The public is surprised that Wallace has so little to do with what is put on the program. Wallace born 5-9-18

Confidence	14 (22%)	{ Personal Biorhythm Numbers
Emotional	12 (14%)	
Mental	17 (3%)	

Wallace has all low percentages. This means he can earn his way in life thru talk. He lacks confidence (22%) although he would cover it up with talk. The low confidence would make this suit scary for him.

Wallace is a humanitarian (#12 emotional) & wants to be right ALL the time (3% mental). To be proven wrong would make him very unhappy.

Wm Westmoreland born 3-26-14

Confidence	1 (91%)	{ Personal Biorhythm Numbers
Emotional	5 (64%)	
Mental	4 (76%)	

These two men are nothing alike (overall 28%. 60% & up is good.) They would not get along or trust the other.

Westmoreland has all high percentages. This makes him dynamic in action. Wallace has all low percentages. This makes him dynamic in talk. Mixing these two would be like trying to mix oil & water.

Westmoreland is a natural parent type (#5 emotional). He wants to be obeyed without being questioned. He would consider himself

patriotic although he would care mainly for his own & his kind. The natural parent type are quick to start something when they feel they are protecting their homes or homeland.

The natural parent type seems to be the ones to bring libel suits. They insist on being obeyed. Of the famous ones we know about are Carol Burnett (#6 emotional), Shirley Jones (#3 emotional), & Ryan O'Neal (#2), is always threatening to sue. They are going to make people obey them even if they have to take them to court to do it.

Order your indepth character analysis. These are mini ones. See order form on this page.

Dear Irene, 12-4-84
"So far, in working out (Do-It-Yourself Compatibilities) the relationships with my ex-husband, now deceased, & other family members, I can see clearly why the lack of love & understanding existed & still exists. It is very interesting. The charts I have done on myself & past/former friends & lovers have clarified & reinforced my reasons for not marrying anyone of them. It has also helped remove any doubt in my mind that I may have made a mistake in not accepting their proposals. One of the men recently died & I immediately did our charts. I knew he was on the overbearing controlling side & the chart proved out right. Thus I was able to release any guilt feelings that I might have held onto on the chance that I may have been able to make his life a bit easier & happier these past ten years. But

it would have been at the risk of loosing my own independence & self-respect." M.L., Bronx New York

Anyone can help themselves by using the Do-It-Yourself Compatibilities and Learn Biorhythm Character Analysis. See order form on this page.

TIDBITS

Gavin MacLeod "Love Boat" captain filled in as preacher for his friend Rev. Terry Cole-Whittaker at her church in San Diego, Calif. He enjoyed it so much he now wants to become an ordained minister. Gavin (born 2-28-31) is a humanitarian type & needs to be heard. He has a typical teacher type personality.

Does anyone have Terry Cole-Whittakers birthdate?

Actor Stacy Keach who plays "Mike Hammer" was sentenced to 9 months in prison for bringing cocaine into England. Stacy (born 6-2-41) is a natural child type who needs a lot of attention but now is getting more than he wants. Child types are mainly concerned with what they want. He was relying on his ability to talk the court into doing what he wants but it didn't work this time. He went back to England to stand trial, expecting to return right away to work on his "Mike Hammer" series but they insisted he go right to jail and not come back to the states.

Jane Roberts (born 5-8-29), author of the "Seth" books died 9-5-84. Jane cared about people (#27 emotional). She had a lot of confidence (91% physical), & she needed to be heard (58% mental). She was interested in new forms of knowledge.

Actor Troy Donahue (born 1-27-37) was a teenage heartthrob in the 60s. He is a martyr (39% mental). They get tired of having others controlling them. He said "I did not deal with life on lifes terms. I wanted to be in control." He got involved with the drugs & alcohol martyrs are drawn to. He has been dry since 1982.

Princess Di is likely to teach her children how to read before they go to school. She would do that to have people tell her how unselfish & wonderful she is.

Film stars, Americans Sweetheart, Mary Pickford (born 4-8-1893) was married to Douglas Fairbanks Sr (born 5-23-1883). The public thought this was a wonderful match, & were devastated when they divorced.

They had a strong physical attraction (74%). They had a love (71%) but they could not hear one another (33% mentally compatible). This caused so much frustration they had to get away from one another.

Mary married actor Buddy Rogers (born 8-13-04) in 1937. They were 65% physically compatible. The love was strong (100%) but they could not hear one another either (15% mentally compatible). There was such a scandal because she was older by 11 years. They said it would not last because of the age difference. They stayed married until Mary died 5-29-79, 42 years.

Tokyo Rose (born 7-4-16) was a propaganda broadcaster during WWII. Why would an American want to undermine her fellow Americans when they were overseas fighting for their country? She needed a lot of material things (83% physical). She cared only for self (#14 emotional) & she needed power (88% mental). This combination is one of a STAR. They must have paid her well so she could buy things for her favorite person, herself.

When someone gets a BIORHYTHM CHART that shows the critical days, they might expect all of their criticals to be major ones. They weren't before you got the chart so don't expect them to be after. Here is an example of what can happen when one is having a mental critical. If you are working on computers you might put a decimal in the wrong place. Irritating but not all that terrible.

London got rid of their "pea soup" fogs when they quit burning coal.

His Story (history) - Her Story (herstory).

Almost every woman has been involved with a man who let her support him or tried to get her to do it. There are many male parasites.

A money order will get your order filled right away. A personal check will take 2 to 4 weeks.

When ordering a character analysis and/or compatibility you may ask one question about the personality or relationship. I will answer if I can.

WIVES WHO ARE BEATEN

So far, in each case of the beaten wives I have received birthdates of, they were all women who were strong or appeared to be strong. Because they seemed strong the women probably did not get help or back-up from their families. Most of the women were natural bullies & their families might have felt they deserved what they were getting.

As long as males are taught they are superior to women they will do what they can to put down this woman they feel is superior or stronger than himself. He knows he has the physical strength & uses that to gain superiority over her, to put her down so she is lesser. No matter what he does to hurt her or humiliate her he still does not feel superior.

Before getting involved, have a character analysis or compatibility done. See if you two will be happy together. See order form on page 3.

SENSE OF HUMOR

When someone has their personal emotional biorhythm numbers in the #7 thru 14 emotional range that tends to give their sense of humor a teasing flavor. If this person has a lot of anger inside they could be sadistic or cruel to others. They might laugh & pretend they are being funny but some see it as cruelty, not humor. Those who have their emotional number near his might think he is funny. Man:

Confidence 5 (57%)
Emotional 7 (50%)
Mental 28 (70%)

One person said this man has a "gloriously comic bile" sense of humor. Those who are opposite this

man emotionally would think of him as cruel & not at all funny. It would even be shocking to hear that someone thinks he is funny.

This man needs to be in control (70% mental). His confidence is a little weak (57%) so he would bully a bit. This coupled with inner anger could make for a nasty person, pretending he was humorous. Some would be afraid of him & his "humor."

It is so important to marry someone who is in your own emotional range or you would have trouble with the "humor." He could think he is funny & she could think he is cruel. He would be likely to pick something she hates and use that to tease her with. There is no way they can see things in the same light.

Have your own compatibility done before marrying. See page 3.

JOSEPH KENNEDY/GLORIA SWANSON

Joseph P. Kennedy, Sr., father of late President John F. Kennedy, was a bootlegger when alcohol was against the law. The family money came from bootlegging.

Joseph Kennedy wanted to gain access to the film industry to make more money so he used Gloria Swanson who was a major film star at that time. She was romantic about this relationship but it was just business to him.

	Physical	Emotional	Mental
Joseph Kennedy 9-6-1888	17 (48%)	12 (14%)	29 (76%)
Gloria Swanson 3-27-1899	4 (65%)	22 (57%)	3 (82%)
Compatibility	13 (13%)	10 (29%)	26 (58%)

They were overall 33% alike. 60% and up is good.

Gloria was a pleaser (#22 emotional) & Joseph could have taken that to mean she has a special interest in him & would have taken advantage of that. Gloria was emotional (57%) & Joseph was not (14%). He would not have liked being around emotional people. There was no love here (29% emotionally compatible).

He taught his sons (John, Robert, Ted) & daughters to fight. His kids were sent to bed without dinner if they did not come in first. He said all businessmen were S.O.B.'s. He was snubbed among the socially prominent in New England & that made him bitter.

The best thing these two had together was a mental compatibility (58%). They both had a need to lead or control (76% & 82% mental). Kennedy lacked confidence (48% physical) so he would have likely bullied to get his way. People tend to be afraid of bullies but in most cases they should confront them because they are really afraid and are roaring to cover up. They feel if they roar loud enough no one will know how they really feel inside.

The Catholic church was against Kennedy getting involved with Gloria Swanson. They tried to discourage it. Imagine thinking a criminal was ok and needed to be protected from a film actress.

You can tell if a person wants you for yourself or if they are using you for their own benefit. Get a compatibility for personal, business or any relationships. See order form on page 3.
